

# Alright

PJ Morton

Oh my lord, I can't take no more  
When it rains, it pours  
I know it feels like it's impossible  
But we've been here before  
You can check the score

We'll be alright, be alright, be alright  
Oh, you know the numbers don't lie  
We'll be alright, be alright, be alright  
Alright, alright
