

Always Be

PJ Morton

I heard you say that I don't look at you the same
But even though we have our rough days nothing has changed
I'm still the man, you're still the girl that I fell for
So don't you let those evil thoughts in your head anymore
Don't you worry girl

No matter how dark it gets
Oh darling, you're still the sunshine in my day
And it will always be that way
Don't you worry girl
So don't worry if it seems too hard
Don't give up 'cause we will find a way
And it will always be that way

My father told me there'd be some good days and bad days
But no matter how bad they get the love remains
See I'm now looking for perfection just as long as you're perfect for me
Then we can be 2 imperfect beings living happily
Because it don't matter girl

No matter how dark it gets
Oh darling, you're still the sunshine in my day
And we'll always be that way
Don't you worry girl
So don't worry if it seems too hard
Don't give up 'cause we will find a way
And it will always be that way

Yes it will, yes it will always be that way
