

BUILT FOR LOVE

PJ Morton

Uh, baby girl
I know I haven't been perfect for you
But before you say we're through
I think you should think a little while
'Cause this is just a bump in the road
We'll get over this
Just like the last one that we did
And now we're closer because of it

Oh, what we have is worth it (Yeah)
And we just can't desert it
We gotta keep goin' strong (Keep goin' strong)
It's not worth keepin' if it's not worth fightin' for
No matter how long it takes (No matter, no matter)
I'm willin' to wait (We can't lose to hate)
We can't lose to hate (Oh no, no)
'Cause we were built for love

Baby, it ain't easy lovin' you
When the lights shut off and the rent is due
But somehow we always make it through
That's what I call love (Yeah, that's love)
So even when I fuss and complain
Baby you know and I know I ain't goin' nowhere
I'll stay right here
That's what I call love

(What we)
Oh, what we have is worth it (Yeah)
And we just can't desert it (Love)
We gotta keep goin' strong (Ayy, it's not worth keepin')
It's not worth keepin' if it's not worth fightin' for
No matter how long it takes (No matter how long)
I'm willin' to wait
We can't lose to hate (We can't lose to hate)
'Cause we were built for love

Yes, we're built for love
Baby (Baby, it's you and me)
We're built for love
Oh (Forever, it'll always be)
Oh, we're built for love
Yeah-yeah, yeah, yeah, yeah (No matter how hard it gets)
Oh, we're built for love
Yes we're built for love
We'll always pass the test

What we have is worth it (It's worth it, yeah)
And we just can't desert it (What we have, we can't desert it)
We gotta keep goin' strong (Oh no)
It's not worth keepin' if it's not worth fightin' for
Oh, no matter how long it takes (No matter how long it takes)
I'm willin' to wait (Baby, I'll wait for you)
We can't lose to hate (Please wait for me, oh)
'Cause we were built for love (We were built for love)
'Cause we were built for love, yes
We were built for love (Ooh)

We were built for love
