PJ Morton

(There's a lot going on right now
And, of course, that tragic news coming to us
From multiple law enforcement sources within LAPD
Familiar with this investigation
Confirming that rapper Nipsey Hussle was shot and killed
Outside his clothing store here
I was talking with a lot of people out here who are very upset
They are hurt that Nipsey Hussle was shot and killed
They say he was here to give back to the community
He donated a lot of his time and money
He was trying to make his community a better place)
(We gotta buy black the block, let's do it)

We gotta buy back the block, ooh-ooh
Buy black the block, yeah, oh yeah
We gotta buy back the block, uh
I said, I don't want it if I can't own it
