

Count On Me

PJ Morton

If you're ever feeling low
Always know that I am close to
Every single step you take
I'll be riding right along

Count on me
Count on me
Count on me
You can count on me
Count on me
Count on me
You can count on me

Whether sunrise in the morning
Or we're riding through a storm
Now I'm saying there won't be dark days
Just won't have to face the dark days alone

Count on me
Count on me
Count on me
You can count on me
Count on me
Count on me
You can count on me

Count on me like one two and three
You stood by me and made me believe
So I'll be there when life brings you to your knees
(Yeah!)

You need me by three I'll be there by two
You're my G there's no one like you
When in need I'm sure you know what to do
Just call my number 080
Whether na London or na soweto
I'll be running I'll be coming home to you
And I will hold on I will not let go
Omo, there is no -
There's no hurricane or tornado
That can ever stop me coming home
I can never leave you on your own

Count on me
Count on me
Count on me
You can count on me
Count on me
Count on me
You can count on me

Count on me
Count on me
Count on me
You can count on me
Count on me
Count on me
You can count on me

If you're ever feeling low
Always know that I am close
