

## Dad's Interlude: WELCOME

**PJ Morton**

Hey Dad, how you doin'?  
Fine, you doing alright?  
Yeah, I'm doing good, I'm doing good  
Good, good  
Uh, so, you know, I'm finally doing a gospel album  
Yeah, yeah, yeah, yeah  
A day that we didn't know would ever come, but uh  
You always told me you'd prayed over my hands  
I, I, didn't uh, I unfortunately can't read music but, but got  
the gift  
You know, and just started to play and  
A lot of the songs that I wrote  
Was right there on the organ  
Uh, no offense, sometimes when you were giving announcements or  
talking, I was on the organ, and I was writing songs  
Let's be honest, let's be honest  
Sometimes when I was preaching, you was writing  
No, you're supposed to  
You're right, you're right, you're right there, you're right  
But it worked out, it worked out  
And now I'm here, uh  
And now here's the gospel according to PJ...
