

Don't Let Go

PJ Morton

I know it's been so hard
And you don't know what it all means, mmm
But don't you ever let go
See, there's a reason you're still standin'
After all you've seen, mmm
So don't you ever let go

Don't let go, don't let go
Don't you ever let go

You're getting tired
And it feels like it's been going on for years, oh
Don't you ever let go
There's nothin' wrong with cryin'
There's no denyin', let out all your tears, oh
But don't you ever let go

Don't let go, don't let go
Oh don't you ever let go
Don't let go, no no, don't let go
Just remember
Please don't ever let go

Oh no my sister
Oh no brother
Stay strong
