

## First Sight

PJ Morton

Knock me right to my knees  
Greatest thing that I ever seen in all of my days  
What am I gonna do  
I think I'm in love with you

I don't usually believe it but I think it's true  
'Cause I'm feeling that the minute that I saw you  
Ever since the day I can't get you off of my mind  
Guess I got a case of love at first sight  
Love at first sight

Somebody help me quick  
Don't know how I'm supposed to handle this feeling  
Never have been before  
But I think I want more

I don't usually believe it but I think it's true  
'Cause I'm feeling that the minute that I saw you  
Ever since the day I can't get you off of my mind  
Guess I got a case of love at first sight  
Love at first sight

I've got the love, the love  
I've got the love at first sight  
I've got the love, the love  
I've got the love at first sight

I don't usually believe it but I think it's true  
'Cause I'm feeling that the minute that I saw you  
Ever since the day I can't get you off of my mind  
Guess I got a case of love at first sight  
Love at first sight
