Fly away

What would you say if I asked you to come with me
Would you forget the details and all the technicalities
While I cover your eyes take my hand and follow me
We can fly away

Don't you worry

Don't you worry 'bout a thing
Let your mind go free forget everything
I'll be wind under your wings
So we can fly away

Hello, mister
It's nice to meet you
For some strange reason I'm knowing you
Will you take me away from here
So we can fly away

Don't you...

Don't you worry 'bout a thing
Let your mind go free forget everything
I'll be wind under your wings
So we can fly away

You don't have to worry

Don't you worry 'bout a thing
Let your mind go free forget everything
I'll be wind under your wings
So we can fly away

Lala lala lalala
Lala lala lalala
Lala lala lalala
We can fly away

Don't you worry 'bout a thing
Let your mind go free forget everything
I'll be wind under your wings
So we can fly away

Don't you worry 'bout a thing
Let your mind go free forget everything
I'll be wind under your wings
So we can fly away
