

God Can/Let Go

PJ Morton

Some may ask, "Where is your god?
With so much trouble going on
Is he even here?"
Well, I don't know what tomorrow holds
But I know who holds tomorrow
So I don't have to fear

God, I know You can (God can)
And I know You Will (God will), yeah
I'll do just what You say
Every word, ooh yeah (God can)
God, I know You can (God will)
Yeah, I'll do just what you say

As soon as I stop worrying
Worrying how the story ends
When I let go and I let God
Let God have His way
That's when things start happening
When I stop looking at back then
When I let go and I let God
Let God have His way

I couldn't seem to fall asleep
There was so much on my mind
Searching for that peace
But the peace I could not find
So then I kneeled down to pray
Praying, "Lord, help me please"
Then he said, "You don't have to cry
'Cause I'll supply all your needs"

As soon as I stopped worrying
Worrying how the story ends
When I let go and I let God
Let God have His way
That's when things start happening
When I stop looking at back then
When I let go and I let God
Let God have His way

So let go and let God
Let go and let God
Let go and let God
Let go and let God
Let go and let God
Let go and let God
Oh, let go and let God
Let go and let God, oh

(Let go) and let God (And let God)
Let go (Let go) and let God (And let God)
Oh, let go (Let go) and let God (And let God)
Let Him work it out (Let go)
Yeah (And let God)
Let go (Let go) and let God (And let God)
Let go (Let go) and let God (And let God)

Let Him have His way (Let go)
He can fix it, yes He can (And let God)
He can mend it, yes He can (Let go)
Yeah (And let God)
Let go (Let go)
Hey (And Let God)
My brother, my sister (Let go)
Cast your cares upon him (And let God)
He can (Let go)
And He will (And let God)
Let Him do what He does (Let go)
Because He does it well (And let God)
(Let go)
He's able (And let God)
Yes, He can (Let go)
No weapons from the industry (And let God)
Will be able to prosper (Let go)
Because God is (And let God)
He's everything you need (Let go)
And so much more, yeah (And let God)

Soon as I stop worrying, yeah
Yeah
Limits achieved
He's able, the unseen
Cast your cares upon Him
Yeah, He cares for you
And I let God
Let God have His way
Oh-oh-oh, ooh
