

Gotta Have You

PJ Morton

I love Tammy's mama's peach cobbler
I even love a Martin re-run (Gina)
I love turtlenecks in December
How the sun sets when it's done (Yeah, let's go)
Assume these fade like flowers
And cancel culture quick to tell you you're through
But from the manger all the way to the grave
You love me like cooked food
That's why I gotta have—

You make me as happy as I can be
Your love is a guarantee in a world of changes
You and I, together stay on my mind
You are the truth and the life
There's no other way

I gotta have You (You)
I gotta have You (You)
I gotta have You (You)
I gotta have You (Ayy)
Oh Lord, I gotta have You (I gotta have you), I gotta have you
I gotta have You (You)
I gotta have You (You)
I gotta have You (You)
I gotta have You (Please God)
Oh Lord, I gotta have You (Give me you, oh, second verse)

Look at how you turned my world inside out
I'm loving what you're about
You want my faith God
I saw when you picked my life up again
And still became my best friend (Hallelujah)
Now every day

I gotta have You (You)
I gotta have You (You)
I gotta have You (You)
I gotta have You (Always)
Oh Lord, I gotta have You (I gotta have you, hallelujah)
I gotta have You (You)
I gotta have You (You)
I gotta have You (You)
I gotta have You (You)
Oh Lord, I gotta have You (Forever and a day, come on)

If you take your love away from me I don't know what I would do (I'd be lost
)
Ooh (Ship without a sail)
See there's a giant hole in my heart that can only be filled by you (Filled
by you, yeah, you)
You don't know He's all you need until he's all you have (Come on)

I gotta have You (You)
I gotta have You (You)
I gotta have You (You)
I gotta have You (Yeah)
Oh Lord, I gotta have You (Please God, my soul cries), I gotta have you

I gotta have You (You)
I gotta have You (You)
I gotta have You (You)
I gotta have You (Come on)
Oh Lord, I gotta have You (God, I gotta have you), I gotta have You
I gotta have You (In the fall)
I gotta have You (In the spring)
I gotta have You (I was lost)
I gotta have You (Now I'm free)
Oh Lord, I gotta have You (Thank you), I gotta have You
I gotta have You (Monday)
I gotta have You (Tuesday)
I gotta have You (Wednesday)
I gotta have You (Friday)
Oh Lord (Even Thursday), I gotta have You (I gotta have you)

Bounce, bounce, bounce
Ah, feels so good (Always I need You)
Knowing I got You feels good
You'll never leave me
You won't forsake me
You'll always keep me
You'll never change
I gotta have You, ayy
I need you Lord (Got to have You, got to have You)
Oh God, I want You, all of my days
Guide me in all of my ways, please (I got to have You)
Give me You, yeah (I got to have You)
I can't wait to see what You do for me (I got to have You)
Get all in my heart and my mind (Got to have You)
Give me Your joy in advance, yeah, Lord (Got to have You)
Give me everything that comes with You (Got to have You)
I want it, I want it, I want it all (Got to have You)
Everything (Got to have You)
