

Heavy

PJ Morton

It's getting heavy, heavy on me
It's getting heavy, heavy on me
So can you help me, yeah
'Cause it's getting heavy on me

Don't wanna struggle no more
It lasted longer than I thought
I'm one that's always for the drive
But it's just taking too much time
I'm one that's always for the drive
But it's just taking too much time
So can you help me with the loan
'Cause I'm breaking right down to the floor

It's getting heavy, heavy on me
It's getting heavy, heavy on me
So can you help me, yeah
'Cause it's getting heavy on me

I thought I had it figured out
Thought I'd know what life was about
But it's starting to mess with my mind
I can't tell my left from my right
Somebody calling me my guy
Don't work it have to run and hide
'Cause I'm too strong

It's getting heavy, heavy on me
It's getting heavy, heavy on me
So can you help me, yeah
'Cause it's getting heavy on me
