

# Home Again

PJ Morton

Sometimes there's only but one remedy  
You know exactly the thing you need  
It never fails  
When I've been gone too long  
Things just seem to start going wrong

Memories fade  
Seasons change  
One thing remains  
The way you make me feel  
And it feels so good to be home again  
It's so good to see you my friend  
I hope I get to see you again  
Soon

Feels so good to be home again  
It's so good to see you my friend  
I hope I get to see you again  
Soon

Sometimes you just have to go back to where it all began  
When you still listened to your own mind  
And I hope it reminds you of exactly who you are  
And you're never too far to find

Memories fade  
Seasons change  
One thing remains  
The way you make me feel  
And it feels so good to be home again  
It's so good to see you my friend  
I hope I get to see you again  
Soon

It feels so good to be home again  
It's so good to see you my friend  
I hope I get to see you again  
Soon

It feels so good to be home again  
It's so good to see you my friend  
I hope I get to see you again  
Soon

It feels so good to be home again  
It's so good to see you my friend  
I hope I get to see you again  
Soon

It feels so good to be home again  
It's so good to see you my friend  
I hope I get to see you again  
Soon

It feels so good to be home again  
It's so good to see you my friend  
I hope I get to see you again

Soon

Feels so good

So good
