

Never Be The Same

PJ Morton

I had broken dreams
I was so full of pain
Then You came
And now I'll never be the same again
I had tried it all
Lord knows I wanted a change, yeah
And right then, You came
And now, I'll never be the same again

I will never be the same, oh no
I'll never be the same, mmm
I will never be the same, oh no, no, no
And it's all because You came
Lord, You came

Oh yeah
Back was against the wall
Nowhere to run
Then You sent Your son
And now, I'll never be the same again
I just threw up my hands
And said, "Lord, here I am"
And You were right there
And now, I'll never be the same again

No, I'll never be the same, oh, oh
I will never be the same, oh my (Again)
I will never be the same
I will never be the same
And it's all because You came, You came, Lord
Thank You, Lord

Never, oh
Never, oh
Never
I will never be the same again
Never
Oh, never
Oh, never
I will never be the same again

Never (Never)
Oh, never (Never)
I will never, never, no, no (Never)
(I will never be the same) Yeah
Oh, never (Never)
Never, oh, never (Never)
I will never be the same (Never)
Oh, never (Never)
I will never be the same
Oh, You changed my home
And You changed my tone
(I will never be the same)
Came in and You made me better
Oh no, no, no, no (Oh yeah)
No, no, no, oh
(I will never be the same) Never be the same

Again
Oh, never
No, no, no, no, no, never
Never
I will never be the same
