READY

PJ Morton

Mmh, yeah yeah
Oh-whoa

Girl take my hand, yeah, uh
Let me take you on a journey, let me be your man
I wanna show you somethings you never seen before
I know that you're a boss but I promise girl there's so much more
All you gotta do is come with me girl

I don't wanna play around anymore (anymore, yeah)
I know there's no one else for me, that's for sure
So baby won't you try me
Please just don't deny me
I'm putting the ball in your court
We can do what you want

Girl if you're ready
We ain't gotta waste no time, we could just go steady
We can do whatever you want, girl, if you're ready, eh
We ain't gotta waste no time, we could just go steady
We could do whatever you want, eh

Okay, I can admit it, yeah
Took me a minute to get it
But now I got it
And I don't wanna be without it
So please let go
I promise I won't ever let you hurt no more
All you gotta do is come with me girl

I don't wanna play around anymore (anymore, yeah)
I know there's no one else for me, that's for sure
So baby won't you try me
Please just don't deny me
I'm putting the ball in your court
We can do what you want

Girl if you're ready
We ain't gotta waste no time, we could just go steady
We can do whatever you want, girl, if you're ready, eh
We ain't gotta waste no time, we could just go steady
We could do whatever you want, if you're ready
We ain't gotta waste no time, we could just go steady
We can do whatever you want, girl, if you're ready, eh
We ain't gotta waste no time, we could just go steady
We could do whatever you want
