

The Better Benediction

PJ Morton

Alright, we goin' home
Everybody on your feet
You know
Just wanted you to take this with you, yeah
Don't worry, it's gon' get better

Don't worry 'bout it, leave it alone 'cause it will get
Better, better
Hope you believe it, by the end of this song, it will get
Better, better (Hey, yeah, yeah)
Oh, you been fightin' for way too long, ayy
Better, better
You gotta keep goin', keep goin' on, it gets
Better, better (Yeah, yeah)
Oh, it ain't no need to worry, it will
Better, better (Yeah)
You're just adding more to your story, it will
Better, better (Ayy)
Oh, hang on in there, just hang on in there
Better, better (Mm)
Alright, I'ma need a little help, 'Cardi, come here, man (I'ma help you, man
e)
Better, better

I know it looks hard right now
Better, better (Mm)
But God will make a way somehow
Better, better (Hold on)
Don't give up, my friend
Better, better (Please don't give up)
Stay strong 'til the end
Better, better
No matter what you're goin' through
Better, better
God will work it out for you
Better, better (Oh)
It will, it will get
Better, better (Better, ayy)
I know it will be
Better, better (Yeah)

It won't always be this rough
Better, better (Oh)
'Cause God will keep you with His love
Better, better (You know he will)
Keep your head up, my friend
Better, better (Yes, Lord)
You're gonna make it 'til the end
Better, better (Oh)
It's gonna get better
Better, better (Mm)
It's gonna get better
Better, better (Yeah)
So just hold on, don't give up
Better, better (Yeah)
I know it will, will, will, will
Better, better (It will)

I trust in God, I believe that it's gonna get
Better, better (Yeah, yeah, hey)
Don't worry about a thing, my sister
Better, better (Hey)
It's all in God's plan for you to get
Better, better (It's all in God's plan)
Just stand in love everything gon' be
Better, better (Hey)
Better, better, better, better
Better, better (Better, better, better, better)
Better, better, better, better
Better, better
Yeah, better
Better, better
Better, better, better, better
Better, better

You're not alone, you just gotta be strong and it'll get
Better, better (Uh-huh, mm)
Hang on and it won't be long, it's gon' get
Better, better (Uh-huh)
Hey, girl, mama, don't you cry, it's gotta get
Better, better (Better, mm)_
He's gonna wipe your weeping eyes, it's gotta get
Better, better (Oh)
I'm so glad it don't last always, it's gonna get
Better, better (Oh, oh)
You just wait and see
Better, better (Ahh)
No need in worryin' (No need in worryin')
Better, better
You might as well leave it alone
Better, better

I know you may be cryin'
Better, better (Oh)
But just keep on, keep on, keep on tryin'
Better, better (Oh)
Oh, it will
Better, better (Get better)
Oh, it has to, oh, it has to
Better, better (Oh-oh-oh)
Oh
Better, better (Yeah)
Keep on wakin' up, I promise you it will be
Better, better (Better)
For God's promises are yes and amen
Better, better (Yeah)
And He is not a man that He should lie
Better, better (Better)

I hope you believe it (Yes, I believe it)
Just watch the sun
