

This Feeling

PJ Morton

Some things have changed
Since you made your way in my mind
Things are much different then they were
I'm used to being so in control
But now, sometimes I seem to let my self go
Because

Every time I look at you I melt away
I don't know if I have ever felt this way
I don't know if I want this to go away
Lord stay
I look up to the sky and now I'm wondering why can't I
Can't fight this feeling of mine
I try to hide it deep inside
But I can't fight this feeling of mine

You can look into my eyes
I know I look brand new
Cause I don't do the things I used to do
I got a new plan
I've planned to stand next to you
Through anything you go through

Every time I look at you I melt away
I don't know if I have ever felt this way
I don't know if I want this to go away
Lord stay
I look up to the sky and now I'm wondering why can't I
Can't fight this feeling of mine
I try to hide it deep inside
But I cant fight this feeling of mine

I look up to the sky and I
I look up to the sky and now I'm wondering why can't I
Can't fight this feeling of mine
I try to hide it deep inside
But I cant fight this feeling of mine

I look up to the sky and I
I look up to the sky and now I'm wondering why can't I
Can't fight this feeling of mine
I try to hide it deep inside
But I cant fight this feeling of mine
Of mine
