

# Kitty Litter

Placebo

The way you're dancing  
Makes me come alive  
Makes me shiver and perspire  
Your surreptitious glancing  
The way you crack a smile  
Nearly start a fire

So move closer  
I wanna feel your touch  
So come over  
Come on

[Chorus:]  
Love of mine  
This fortress in our heart  
Feels much weaker  
Now we're apart  
Love of mine  
This fortress in our heart  
Comes crashing down

I need a change of skin  
I need a change

The way you're moving  
Hips from side to side  
Makes you all that I desire  
Bathsheba of my choosing and I'm so unsatisfied  
You're all that I require

So move closer  
Gotta feel your touch  
So come over  
Come on

So move closer  
Gotta feel your touch  
So come over  
Come on

[Chorus]

I need a change of skin  
I need a change

I need a change, I need a change of skin [4x]

[Chorus]
