I saw you jump from a burning building
I saw you jump from a burning building
I've seen you move like Elvis set on fire
I've seen you move like Elvis set on fire
This search for meaning is killing me
This search for meaning is killing me
This search for meaning is killing me

We go to Sweden in the back of a cab
We go to Sweden in the back of a cab

And every picture house is empty
And every picture house is empty

I gave my heart
Now I want it back
I gave my heart
Now I want it back
I gave my heart
Now I want it back
I gave my heart
Now I want it back

I am surrounded by spies

Dead fly on the national anthem
Dead fly on the national anthem
Dead fly on the national anthem
Dead fly on the national anthem

I see faces on the bathroom floor
I see faces on the bathroom floor
I see faces on the bathroom floor
Come on over and I'll show you more

Where are you now
When I need you the most
(Shut up)
Where are you now
When I need you the most
(Shut up)
Where are you now
When I need you the most
(Shut up)
Where are you now
When I need you the most
(Shut up)
