

Call Me

Plain White T's

I'm sorry 'bout last night
I called you to apologize
But I'm not sure my voicemail went through
That sad look in your eyes
Cut me deep like a sharp knife
I don't know how to make it up to you

You can call me a lot of things
You can call me this and call me that
(When you gonna call me?)
You can call me a lot of things
But I just wish you would call me back
(When you gonna call me?)

Call me!
You know I'm waiting
Know I'm waiting by the phone
(When you gonna call me?)
Call me
You know I'm waiting
Know I'm waiting all alone
(When you gonna call me?)

Every time my phone lights up
I'm so let down
(When you gonna call me?)
How long you gon' keep this up?
I need you now
(When you gonna call me?)
Call me!

Call me
Call me
(Call me, call me, call me)
Call me
(Call me, call me, call me)

I wish I could rewind
Go back to the good times
The sunsets out in Malibu
When my hand fit just right
In the back pocket of your Levi's
I wish I was back there with you

You can call me a lot of things
You can call me this and call me that
(When you gonna call me?)
You can call me a lot of things
But I just wish you would call me back
(When you gonna call me?)

Call me!
You know I'm waiting
Know I'm waiting by the phone
(When you gonna call me?)
Call me
You know I'm waiting

Know I'm waiting all alone
(When you gonna call me?)
Every time my phone lights up
I'm so let down
(When you gonna call me?)
How long you gonna keep this up?
I need you now
(When you gonna call me?)
Call me!

Call me
Call me
(Call me, call me, call me)
Call me
(Call me, call me, call me)

Oooooo I can't live with out you
Oooooo you know I'm all about you

Call me!
You know I'm waiting
Know I'm waiting by the phone
(When you gonna call me?)
Call me
You know I'm waiting
Know I'm waiting all alone
(When you gonna call me?)
Every time my phone lights up
I'm so let down
(When you gonna call me?)
How long you gonna keep this up?
I need you now
(When you gonna call me?)
Call me!

(Call me, call me, call me)
(When you gonna call me?)
Call me!
(Call me, call me, call me)
(When you gonna call me?)
Call me!
(Call me, call me, call me)
Call me!
(Call me, call me, call me)
