

# Happy Someday

Plain White T's

It's just another old Sunday  
A few more hours 'til it's Monday  
The weekend's almost over  
I feel myself gettin' older  
It's becoming more and more apparent  
I'm turning out like my parents  
I hate going to bed early  
But I gotta go work for a man who doesn't know my name  
Makes me wear a uniform so everybody looks the same  
But I can't be late  
I've got those credit card bills I gotta pay

Hey hey hey, I'm gonna be happy someday  
I said hey hey hey, I'm gonna be happy someday

Then finally it's Friday  
I'm thinkin' life's goin' my way  
But there's nothing to do  
Guess I'll hang out with my friends  
And I know/we'll end up at a show  
Where they'll drink away the dreams they gave up long ago  
But I can't complain, 'cause I've been right there doin' the same

Hey hey hey, I'm gonna be happy someday  
I said hey hey hey, I'm gonna be happy someday  
Hey hey hey, I'm gonna be happy someday

Someday I'll be happy  
Will someone tell me when will that be?  
Somewhere I lost track of what's right  
And now I'm stuck on the sidelines  
What doesn't kill you makes you stronger  
Not gonna take it any longer  
It's time to take back control of my life

Someday I'll have everything  
I'll get paid money just to sing  
A new car, and a big house  
A few kids running around  
I'm gonna marry my girlfriend  
And fall in love all over again  
Someday I'll have it all

Hey hey hey, I'm gonna be happy someday  
I said hey hey hey, I'm gonna be happy someday  
I said hey hey hey, I'm gonna be happy someday  
I said hey hey hey, I'm gonna be happy someday  
I'm gonna be happy someday  
I'm gonna be happy someday  
Hey!
