

# L-O-V-E

Plain White T's

What's the deal?  
The way you look tonight is so unreal  
If Dali painted you, you'd be surreal, be surreal, be surreal  
Was I blind?  
The way the stars all twinkle in your eyes  
I've never seen such beauty in my life, in my life, in my life

Someday  
I know you'll look at me the same way  
Do I have to spell it out for you and say

L-O-V-E?  
Is that what you want from me?  
It could be easy as 1, 2, 3  
You and me  
L-O-V-E

Did you know  
You make the sunset jealous how you glow?  
So light me up and never let me go, let me go, let me go

Someday  
I know that you'll be asking me to stay  
Do I have to spell it out for you and say?

L-O-V-E?  
Is that what you want from me?  
It could be easy as do, re, mi  
Wait and see  
L-O-V-E

You're making my heartbeat go pitter patter  
The problems all around us, they don't matter  
I wish you'd stay forever here with me, here with me, here with me

So tonight  
I'm feeling kind of crazy, I just might  
Spill my guts and try to make you mine  
All mine, gonna spell it out for you tonight

L-O-V-E  
Is that what you want from me?  
It could be easy as A, B, C  
You and me  
L-O-V-E

L-O-V-E
