

# Someday You're Gonna Love Me

Plain White T's

In my mind you're all mine,  
I've loved you since the day we met  
But I'll keep this love secret,  
You're just too young to understand  
But don't worry, there's no hurry  
You're got some catching up to do  
So go be young, go have fun  
I'm fine just waiting here for you.

It doesn't matter if you love me,  
I'm gonna love you anyway  
It doesn't matter how you feel right now  
'Cause there's no doubt someday you're gonna love me!

I'll pretend to be friends,  
Until your heart is all mine  
When we see things clearly  
You'll know I've loved you all this time  
And I promise every kiss  
will be the sweetest of your life  
These two arms will keep you warm  
Make sure you're safe and satisfied.

It doesn't matter if you love me,  
I'm gonna love you anyway  
It doesn't matter how you feel right now  
'Cause there's no doubt someday you're gonna love me! [x2]

Take your time,  
Take your time,  
I'll show you what love means  
You've never felt so free  
I'll show you what love means  
You've never felt so free

I'll show you what love means  
You've never felt so free  
You've never felt so free

It doesn't matter if you love me,  
I'm gonna love you anyway  
It doesn't matter how you feel right now  
'Cause there's no doubt someday you're gonna love me! [x2]

Someday you're gonna love me  
Someday you're gonna love me  
Someday you're gonna love me  
Someday you're gonna love me
