

# Stay Too Long

Plan B

I know what's to come  
... feeling happy now  
I know when I'm drunk  
... never let's me down

Cause I always stay too long  
Long enough for something to go wrong

I'm in a brawl  
Cause I won't take it lying down  
Right inside the bar  
The police are on their way right now

Cause I always stay too long  
Long enough for something to go wrong  
Yeah I always stay too long  
The ladies better singa my s-s-s-song, s-s-s-s-song, s-s-s-s-song, s-s-s-song

I got my peeps standing with me shouting pull up your socks  
Cause we just broke the law and now we're running from cops  
I got my lip bust fighting now there's blood on my top  
And I'm still out looking for a party, somewhere to stop

I got my peeps them telling me they know where it's at  
So I pull out twenty notes and jump straight into a cab  
I'm on my way to where I'm going thinking I need more Jack  
But that probably ain't the brightest idea I've ever had cause

I always stay too long  
Long enough for something to go wrong

On the run from the law  
I'm looking worse for wear  
I go through a door  
And suddenly I find myself somewhere

Somethings bound to go wrong  
If I stay too long  
I know were going to get to dawn  
... stay singing my s-s-s-song, s-s-s-s-song, s-s-s-s-song, s-s-s-song  
S-s-s-s-song, s-s-s-s-song, s-s-s-song song song

C'mon

C'mon

C'mon, C'mon, C'mon, C'mon

I got my peeps standing with me  
At the bar doing shots  
Cause now we're so fucking plastered  
We don't know when to stop  
I got my girlfriend ringing me  
Belling me up  
I know I should probably answer  
But I just can't be fucked

I got my peeps standing with me  
And I'm having a blast  
I'm feeling so fucking good right now  
I want it to last  
So I put my phone on silent  
And I refill my glass  
The music so fucking banging  
Feel like I wanna dance  
I'm at the bar and I see this chick checking me out  
From afar yes you are...

Looking at me as if to say  
I'm in with a shot  
So I pull a chair up near  
And buy us a drink  
She says cheers I says yeah  
Our glasses go clink  
Now I'm being bad, in a cab, groping this girl  
Once the cab is paid  
We make our way to the hotel  
Now I'm in a lift, getting licked, how dumb is this girl  
But do I care? do I fuck!

I'm on a roll!
