

Narcissistic Man

Plan Three

Planting your seeds of disrespect
Depleting my cup 'til I'm a wreck
Your illusions draw me in
I wanna know
Cynic and unkind, can you teach
How to think of only me
Don't wanna care like I do
I wanna know

Now I've had enough
I'm never gonna let you keep me down
No I've had enough

Everybody's got a broken heart
But the only one hurting is you
And for the very first time
I'm gonna stand my ground yeah
Cause I've had enough

Caught in a limbo you set up
You ain't gonna stop until I've lost control
Toxic emotions I absorb
I wanna know

Now I've had enough
I'm never gonna let you keep me down
No I've had enough

Everybody's got a broken heart
But the only one hurting is you
And for the very first time
I'm gonna stand my ground yeah
Cause I've had enough
You will never ever let me go
Cause without me the world will see the truth
And for the very first time
I will stand my ground
Cause I've had enough

Narcissistic man
Narcissistic man
Narcissistic man
I wanna know

Now I've had enough
I'm never gonna let you keep me down
No I've had enough

Everybody's got a broken heart
But the only one hurting is you
And for the very first time
I'm gonna stand my ground
Cause I've had enough
You will never ever let me go
Cause without me the world will see the truth
And for the very first time
I will stand my ground

Cause I've had enough

No matter what I do I'm gonna let you down

Have you had enough?
