

Stay

Plan Three

I've been waiting for a sign
(That I should go)
You've been trying to rewind
(And you don't know)

This feels like something new
When I'm alone with you
This feels just like before
And I am losing you
This is not what you want
It's not what I want
It's not what you want

But I'm not ready to say goodbye
I still believe in what we can find
I'm staying with you, with you
Yeah that's what I'll do
I belong to you

You should leave it all behind
(And come with me)
Take the time to redefine
(What we could be)

This feels like something true
When I'm alone with you
This feels just like a lie
And I am losing you
This is not what you want
It's not what I want
It's not what you want

But I'm not ready to say goodbye
I still believe in what we can find
I'm staying with you, with you
Yeah, that's what I'll do
I belong to you

I'm not ready to say goodbye
I still believe in what we can find
I'm staying with you, with you
Yeah, that's what I'll do
I belong to you

(I'm not ready to say goodbye
I still believe in what we can find)
I'm staying with you, with you
Yeah, that's what I'll do
I belong to you

Yeah, we can be more
We can be more than just a memory
I still believe that we are meant to be
Don't give up, don't give up
When I know that we'll find a way
Cause you belong to me

I want you to stay
