

All Around The World

planetboom

No matter the season
No matter the time
Your love is overflowing in my life
Your goodness and mercy
Are chasing me
Forever I will dwell within the

House of God
Is where I'm found
It's where I belong
With the family
Surrounding me
I have all I need

Your praise is going
All around the world
You'll hear us singing
All around the world
Declaring there is
No one like our God
Let's celebrate
Let's celebrate
Olé olé!

Olé olé!
Olé olé!
Olé olé!
Olé olé!
Olé olé!
Olé olé!

Let every nation
And every tribe
Celebrate the goodness
Of our God
Got more than enough
I'm prospering
Forever I will dwell within the

House of God
Is where I'm found
It's where I belong
With the family
Surrounding me
I have all I need

Your praise is going
All around the world
You'll hear us singing
All around the world
Declaring there is
No one like our God
Let's celebrate
Let's celebrate
Olé olé!

Olé olé!

Olé olé!
Olé olé!
Olé olé!
Olé olé!
Olé olé!

North, south, east, west
We gon' praise Him from the
Sunrise to sunset
Let the sound of
Everything that has breath
Sing hallelujah, hallelujah

North, south, east, west
We gon' praise Him from the
Sunrise to sunset
Let the sound of
Everything that has breath
Sing hallelujah, hallelujah

Hallelujah, hallelujah
Hallelujah, hallelujah
Olé olé!

North, south, east, west
We gon' praise Him from the
Sunrise to sunset
Let the sound of
Everything that has breath
Sing hallelujah hallelujah
Olé olé!
