

My God can do infinity
All power and ability
His Spirit lives inside of me
Ain't nothing He can't do for me

Blessings on blessings
Favour on favour
And it's falling on me
Falling on me
Blessings on blessings
Favour on favour
And it's flowing through me
Flowing through me

Uno, dos, tres
Gotta shout it He's the best
Uno, dos, tres
I am favoured, I am blessed
Uno, dos, tres
I am who He says I am
Unto Him be all the glory
So uno, dos, tres

I see things in the heavenlies
This changes my reality
His Spirit lives inside of me
Ain't nothing He can't do for me

Blessings on blessings
Favour on favour
And it's falling on me
Falling on me
Blessings on blessings
Favour on favour
And it's flowing through me
Flowing through me

Uno, dos, tres
Gotta shout it He's the best
Uno, dos, tres
I am favoured, I am blessed
Uno, dos, tres
I am who He says I am
Unto Him be all the glory
So uno, dos, tres

If God is for me
Then who can be against me
I got to praise
I got to praise

If God is for me
Then who can be against me
I got to praise
I got to praise

If God is for me

Then who can be against me
I got to praise
I got to praise

Uno, dos, tres
Gotta shout it He's the best
Uno, dos, tres
I am favoured, I am blessed
Uno, dos, tres
I am who He says I am
Unto Him be all the glory
So uno, dos, tres
