

Back To Life

planetboom

Holy Spirit fall
Fall on Your people now
'Cause all we're living for
Is that fresh breath of heaven
Alive in Your Presence
Holy Spirit fall

There's a stirring, things are coming back to life
There's a longing, things are coming back to life
There's a yearning, things are coming back to life
There's a moving, things are coming back to life

I need You
Like nothing else
My maker
Make me breathe again

There's revival, things are coming back to life
There's a breathing, things are coming back to life
There's a fire, things are coming back to life
There's a burning, things are coming back to life

I need You like nothing else
My maker, make me breathe again
There's anticipation
I can feel it in the air
The reign of death is finished
And You're alive in me
You're alive in me

There's a stirring, we are coming back to life
There's a longing, we are coming back to life
There's a yearning, we are coming back to life
There's a moving, we are coming back to life

You have spoken, we are coming back to life
You have promised, we are coming back to life
We, Your people resurrected in Your light
Hear revival

Holy Spirit fall
Fall on Your people now
'Cause all we're living for
Is that fresh breath of heaven
Alive in Your Presence
Holy Spirit fall
Fall on Your people now
'Cause all we're living for
Is that fresh breath of heaven
Alive in Your Presence
Holy Spirit fall

I need You like nothing else
My maker, make me breathe again
There's anticipation
I can feel it in the air
The reign of death is finished

And You're alive in me (You're alive in me)
I need You like nothing else (I need you, oh Jesus)
My maker, make me breathe again
There's anticipation
I can feel it in the air
The reign of death is finished (Hey)
And You're alive in me (Yeah)
You're alive in me

Holy Spirit fall (Fall on your people)
Fall on Your people now ('Cause all we're living for)
'Cause all we're living for (Is that fresh)
Is that fresh breath of heaven
Alive in Your Presence (Hey)
Holy Spirit fall (Fall on Your people, c'mon, sing it)
Fall on Your people now ('Cause all we're living for)
'Cause all we're living for (Yeah)
Is that fresh breath of heaven
Alive in Your Presence
Holy Spirit fall
Holy Spirit fall
Holy Spirit fall
Holy Spirit fall

You know, God wants to move on this generation like never before
Like never before
You know what, I've seen some moves of God on young people might be amazing,
but I'm telling ya
The greatest move of God that's ever gonna be seen on a generation, is this
generation right here right now
Because God is lookin' for hungry people
Who will say "Yes, God, here I am, here I am, here I am, here I am, here I am,
here I am"
If you say "God, here I am" use me
C'mon, c'mon, lift your hands
Put your hands up
C'mon, c'mon, c'mon, c'mon, c'mon, let's go
Let's go, let's go, let's go, let's go, let's go
Look outside that door
Heal everybody in their worst days
I will promise, heal all your flesh
