

Call Your Name

planetboom

When I call on Your name
I call on Your power
Your strength is available
You're my support, You're my strong tower
You meet me when I call

I call on Your name, I call on Your name
And my world begins to change
The power of Jesus, on my behalf
How wonderful, it is to call Your name

(I call on Your name...)

The resources of heaven, for my situation
At the mention of Your name
Strength from my weakness, power completed
More than I'll ever need, as I call on

I call on Your name, I call on Your name
And my world begins to change
The power of Jesus, on my behalf
How wonderful, it is to call Your name

There is power in Jesus' name
All my hope is in Jesus' name
All creation will bow to the name
Jesus, Jesus, Jesus, Jesus

I call on Your name, I call on Your name
And my world begins to change
The power of Jesus, on my behalf
How wonderful, it is to call Your name
How wonderful, it is to call Your name
(How wonderful, it is to call Your name)
