

# Got Me Like

planetboom

You got me like, oh, oh-oh-oh  
Yeah, You make me feel so alive  
You got me like, oh, oh-oh-oh  
And I'll never stop giving my all  
Just thinking how blessed I am  
This is the best time  
To show the world I'm crazy about You  
You got me like, oh, oh-oh-oh  
Yeah, You make me feel so alive  
Alive, alive, alive, alive-ive-ive  
I'ma praise like

Right about now is a good time  
To stop; and have a good time  
I'ma be up here having some God time  
And you're good on the genuine, like  
Illumination, illumination  
You light up my life like You lit up creation  
Won't let me drown, You my floatation  
Won't let me thirst, 'cause You my hydration  
So I'ma do my dance in Your arms  
This love is gonna last in Your arms  
You're everything to me, everything I need  
Everything I wanna be, JC

You got me like, oh, oh-oh-oh  
And I'll never stop giving my all  
You got me like, oh, oh-oh-oh  
Yeah, You make me feel so alive  
Alive, alive, alive, alive-ive-ive  
I'ma praise like

Never gonna need another reason  
Who You are is reason enough  
You're God of all eternity and Heaven above  
Your joy is strong, Your love goes on, and on, and on, and on, and on  
So I'ma come in Your...  
Gates, thanks  
Courts, praise  
I don't ever wanna be any other place  
In Your vicinity's where I will stay  
You're good when it's frosty and good in the blaze  
You good in the darkness and good in the day  
You're good all the time, what else can I say?  
You're worthy of even the highest of praise  
So every day, ayy
