

Greatest In The World

planetboom

Aha! He's the greatest
And there's only one way I can say this
'Cause every other thing in the world
Doesn't even come close
To the King and His greatness, aha!
He's the greatest
There's nothing like the name of Jesus
He's King of kings and Lord of lords
And all creation bows it's knee 'cause aha!

He's the greatest, aha!
He's the greatest
His name is Jesus
His name is Jesus, aha!
He's the greatest
And nothing's gonna change that
His name is Jesus
His name is Jesus

You are the greatest in the world
Nothing's gonna change my mind
I choose You every single time
Nothing else compares to You
Woah
Nothing's gonna change my mind
Woah
Nothing else compares to You

Aha! You're the greatest
And I just can't stop saying it
'Cause every good thing that I've ever been given
I got because You gave it, aha!
You're the greatest
There's power in the name of Jesus
King of Glory, God Almighty
All of heaven shouts Your praise 'cause, aha!

You're the greatest, aha!
You're the greatest
Your name is Jesus
Your name is Jesus, aha!
You're the greatest
And nothing's gonna change that
Your name is Jesus
Your name is Jesus

You are the greatest in the world
Nothing's gonna change my mind
I choose You every single time
And nothing else compares to You
Woah
Nothing's gonna change my mind
Woah
That nothing else compares to You

From my heart to Yours
You're the One I love

You're the One that I adore
It's true
That nothing else compares to You
And all my life is Yours
You're the One I want
And You're the One I'm living for
It's You
That nothing else compares to You

You are the greatest in the world
Nothing's gonna change my mind
I choose You every single time
Nothing else compares to You
Woah
Nothing's gonna change my mind
Woah
That nothing else compares to You

Woah
Nothing's gonna change my mind
Woah
That nothing else compares to You
