

# Higher Praise

planetboom

I got I got I got  
Praise in my DNA  
It never stops  
Jesus reigns every single day  
For this reason  
I was made to celebrate  
Everyday  
(Everyday)  
Everyday  
(Everyday)

And even on the mountain tops  
(Imma praise)  
In the valley  
(Imma praise)  
Through the fire  
(Imma praise)  
Through every circumstance  
When it's good  
(Imma praise)  
When I'm blessed  
(Imma praise)  
Give Him thanks  
(Imma praise)  
Through every circumstance

Who the Son sets free is free indeed  
'Cause the Spirit of God brings liberty  
I will sing, I declare, I got victory  
Imma turn my praise up for my G.O.D

Gotta walk that walk  
Gotta step in faith  
I can see them giants fall  
In Jesus name  
For this reason  
I was made to celebrate  
Everyday  
(Everyday)  
Everyday  
(Everyday)

And even on the mountain tops  
(Imma praise)  
In the valley  
(Imma praise)  
Through the fire  
(Imma praise)  
Through every circumstance  
When it's good  
(Imma praise)  
When I'm blessed  
(Imma praise)  
Give Him thanks  
(Imma praise)  
Through every circumstance

Who the Son sets free is free indeed  
'Cause the Spirit of God brings liberty  
I will sing, I declare, I got victory  
Imma turn my praise up for my G.O.D

Woah  
Woah  
Woah  
Woah

Go ahead and do your dance like David do  
Go ahead and praise them walls down, Jericho  
Imma put my praise on, unstoppable  
Every chain falling off, let my people go

Go ahead and do your dance like David do  
Go ahead and praise them walls down, Jericho  
Imma put my praise on, unstoppable  
Every chain falling off, let my people go  
Let my people go

Go ahead and do your dance like David do  
Go ahead and praise them walls down, Jericho  
Imma put my praise on, unstoppable  
Every chain falling off, let my people go  
Let my people go
