

I Was Made For This

planetboom

I'ma do what I was made to do
What I was born to do
Everything within me
Giving praise to You
I was created to
Do like the angels do
Join with all of heaven
Singing holy, holy, holy

Put our sound together
Hear it turn up
This is the sound of
All Your people saying, Jesus (Jesus)
It's all for You
Turn up the volume, all for You
Turn up my passion, all for You
Living for Jesus, all for You

Holy, holy
We join with heaven's praise
Jesus, Jesus
Forever You will reign
So I'ma give You glory, forever
We do this, forever
Everything with breath
Praise the Lord, hallelujah!
It's all for You
Turn up the volume, all for You
Turn up my passion, all for You
Living for Jesus, all for You

'Cause I was made for this

This is like heaven on earth
This sound will never be silenced
'Til the end of all time
All creation be shouting
This is a heavenly noise
This the time for rejoicing
Because freedom is here, yeah

This is like heaven on earth
This sound will never be silenced
'Til the end of all time
All creation be shouting
This is a heavenly noise
This the time for rejoicing
Because freedom is here
And His name is Jesus

Yeah, I was made for this

Put our sound together
Hear it turn up
This is the sound of
All Your people saying, Jesus
It's all for You

Turn up the volume, all for You
Turn up my passion, all for You
Living for Jesus, all for You

Holy, holy
We join with heaven's praise
Jesus, Jesus
Forever You will reign

'Cause I was made for this

'Cause I was made for this
