

I declare and I decree
That sin has got no hold on me
I am free, I am free, I am free

I got faith and I believe
That Jesus died and rose for me
I believe, I believe, I believe
That I am free, I am free, I am free

The work of the cross, is final
The last word over my life
Then you rose again, what a triumph
My debt is paid I am saved
Now I'm alive

I declare and I decree
His blood has won the victory
I believe, I believe, I believe
That I am free, I am free, I am free

The work of the cross, is final
The last word over my life
Then you rose again, what a triumph
My debt is paid I am saved
Now I'm alive

The weapons of my warfare aren't carnal
They're mighty to the pulling down of every single stronghold in my life
Take captive every thought in my mind
Got authority, I loose and I bind
Subject every single feeling to the power of Christ
I will be strong in the Lord and the strength of His might
Got Ephesians 6 armour on lock for the fight
Get agreement from the family bring it into the light
They be holding me tight
No weapon formed against me is gonna prosper
I said no weapon formed against me is gonna prosper
No compromise, reject every offer
Hold my freedom cause I know what it cost You
That's my posture
Now I told You, that's my life and my all on the altar
To the King on the throne, I surrender
To the lamb who was slain now forever, I represent You
God so loved the world that He gave His only son
And cause I believe in Him, Now I'm alive

The work of the cross, is final
The last word over my life
Then you rose again, what a triumph
My debt is paid I am saved
Now I'm alive
