

I'm Free I'm Fearless

planetboom

Oh, it's time to get free, put your hands together
Push the person next to you and say "I'm free" tonight

Ain't nothing gonna hold me down
You know I'm free, I'm free
Who the Son sets free is free indeed
I'm free, I'm free
I'm fearless, y'all feel this?
I'm free, I'm free
Who the Son sets free is free indeed
I'm free, I'm free
I'm fearless, y'all feel this?

You walk through fire
Close the mouths of lions
Even take down giants
Hey, what's left to fear?
I know You're with me
You said You'd never leave me
And if my God is for me
Then I have got

Nothing to fear now
I know You're here now
I can do all things
Cos You give me strength
You say I'm free now
So I agree now
It's You and me
And we can do anything

You're called Emmanuel
It means "God is with us"
Where the Spirit of God is
There is freedom

Ain't nothing gonna hold me down
You know I'm free, I'm free
Who the Son sets free is free indeed
I'm free, I'm free
I'm fearless, y'all feel this?
I'm free, I'm free
Who the Son sets free is free indeed
I'm free, I'm free
I'm fearless, y'all feel this?

You heal my sickness
Even death is stingless
We can't help but win this
Hey, what's left to fear?
You give Your power
Your perfect love surrounds us
Yeah, You're the one I count on
So I have got

Nothing to fear now
I know You're here now

I can do all things
Cos You give me strength
You say I'm free now
So I agree now
It's You and me
And we can do anything

You're called Emmanuel
It means "God is with us"
Where the Spirit of God is
There is freedom

Ain't nothin' gonna keep me down
Ain't nothin' gonna keep me down
Ain't nothin' gonna keep me down
Ain't nothin' gonna keep me down
I give my praise up
I give my praise up
I give my praise up
I give my praise up
Ain't nothin' gonna keep me down
Ain't nothin' gonna keep me down
Ain't nothin' gonna keep me down
Ain't nothin' gonna keep me down
I give my praise up
I give my praise up
I give my praise up
I give my praise up
I'm fearless with this
Livin' like Jesus
Freedom in the name of
Freedom in the name of Jesus

Ain't nothing gonna hold me down
You know I'm free, I'm free
Who the Son sets free is free indeed
I'm free, I'm free
I'm fearless, y'all feel this?
I'm free, I'm free
Who the Son sets free is free indeed
I'm free, I'm free
I'm fearless, y'all feel this?
