

# Jesus Got A Hold Of Me

planetboom

Jesus got a hold of me  
Showed me all that I could be  
Written in my DNA  
(Alright, that's the one)  
(Yeah)

Jesus got a hold of me  
Never turning back  
Showed me all that I could be  
Goes beyond the facts  
Written in my DNA  
Changed my history  
He's the one for me  
Jesus got a hold of me  
Never turning back  
Showed me all that I could be  
Goes beyond the facts  
Written in my DNA  
The rest is history  
Yeah, I got a whole lot to say  
But I really wanna make this simple

Laid it down  
So, I could have a hope and a future  
Destined me for greater things  
That's just Your nature  
Taken us to the top, way up  
There ain't no hesitation  
No limitation, 'cause You my foundation  
Je-what?  
Jesus

In You, I got everything  
I need and more (and more)  
Branded by the blood  
Covered by Your love (I'm Yours)  
I'm Yours, for the cause  
Give my all, break the walls  
Will not fall, standing tall  
We are undefeatable

The old is gone  
I'm picking up my mantle  
I'm all in  
You can call me a disciple  
You speak on my behalf  
And Your word is final  
Yeah, I got a whole lot to say  
But I really wanna make this simple

You feeling that flow?  
I'm feeling it too  
He's living in me  
He's living in you  
He's holding me, moulding me  
Calling me, know what I mean?  
He's the gold in me

He's the G.O.A.T., I mean  
Jesus is the King of Glory  
You the King of Glory  
You my Je-what?  
Jesus

In You, I got everything  
I need and more (And more)  
Branded by the blood  
Covered by Your love (I'm Yours)  
I'm Yours, for the cause  
Give my all, break the walls  
Will not fall, standing tall  
We are undefeata...  
(Put your hands up)

The old is gone  
I'm picking up my mantle  
I'm all in  
You can call me a disciple  
You speak on my behalf  
And Your word is final  
Yeah, I got a whole lotta say  
But I really wanna make this simple  
(Put your hands up, everyone here)

Jesus got a hold of me  
Never turning back  
Showed me all that I could be  
Goes beyond the facts  
Written in my DNA  
Changed my history  
He's the one for me  
(Yeah, yeah)  
Jesus got a hold of me  
Never turning back  
Showed me all that I could be  
Goes beyond the facts  
Written in my DNA  
Changed my history  
He's the one for me  
(Get your hands up)  
Jesus got a hold of me  
Never turning back  
Showed me all that I could be  
Goes beyond the facts  
Written in my DNA  
The rest is history  
Yeah, I got a whole lot to say  
But I really wanna make this simple

But wait, let's go  
Yeah, yeah, yeah, yeah, yeah  
I want you to push the person next to you and say "Let's go"
