

Give You thanks, give You thanks, I will give You thanks  
All day, all day, in every circumstance  
Got a whole long list I could talk about  
I'm gonna start right now  
Thank You for Your mercy, thank You for Your grace  
Thank You for Your blessings, thank You for today  
Thank You for the things You do but I gotta say  
Thank You, Lord for who You are, You're the God I praise

You're the best, You're the best, Jesus, You're the best  
All day, all day, Lord, my soul will bless  
Got a whole long list that I'm thankful for  
But I know there's more  
Thank You for Your presence, thank You for Your love  
Thank You for Your patience, You're never giving up  
Thank You for the things You do but I gotta say  
Thank You, Lord for who You are, You're the God I praise

So with all my heart, I will thank You, Lord  
With all my heart, I will praise You, Lord  
With all my heart, I will thank You, Lord  
Just for who You are  
I will thank You, Lord, I will thank You, Lord  
I will thank You, Lord, I will thank You, Lord  
I will thank You, Lord, I will thank You, Lord

That's the attitude that I'm gonna choose  
Got a heart so full that it's breaking out  
So I'm gonna shout  
Thank You for salvation, thank You for the cross  
Thank You for Your spirit for giving life to us  
Thank You for the things You do but I gotta say  
Thank You, Lord for who You are, You're the God I praise

So with all my heart, I will thank You, Lord  
With all my heart, I will praise You, Lord  
With all my heart, I will thank You, Lord  
Just for who You are  
I will thank You, Lord, I will thank You, Lord  
I will thank You, Lord, I will thank You, Lord  
I will thank You, Lord, I will thank You, Lord
