I just can't get enough
I just can't get enough
I just can't get enough
I just can't get enough

Love
Higher than the highest peak
That's Your love
I just can't get enough
Love
Stronger than I thought it could be
That's Your love
I just can't get enough

Love is patient, love is kind
Love is faithful all the time
I am Yours and You are mine

L.O.V.E. - for eternity
It's unfailing
Forever gonna be amazing
L.O.V.E - You're so good to me
Makes my heart beat fast
This love's gonna last

Love
Wider than I thought it could reach
That's Your love
I just can't get enough
Love
Taken over all of me
That's Your love
I just can't get enough

Love is patient, love is kind
Love is faithful all the time
I am Yours and You are mine

L.O.V.E. - for eternity
It's unfailing
Forever gonna be amazing
L.O.V.E - You're so good to me
Makes my heart beat fast
This love's gonna last

Air that I breathe
Is Your love
You're my treasure
Yours forever
You are the beat of my heart
It goes on and on and on and on

I just can't get enough
I just can't get enough
I just can't get enough

I just can't get enough
I just can't get enough
I just can't get enough
I just can't get enough
I just can't get enough

L.O.V.E. - for eternity
It's unfailing
Forever gonna be amazing
L.O.V.E - You're so good to me
Makes my heart beat fast
This love's gonna last
L.O.V.E. - God, it's You and me
