My praise
Is going to new levels
My faith
Is going to new levels
I will give like I have never given before
Until I see what we have never seen before

We're lifting Jesus up
We're lifting Jesus up
We're lifting Jesus up
We're gonna praise Him
You come and fill our hearts
With all Your power and love
Take us a level up
You're so amazing
You're so amazing

You're so amazing
You're so amazing

We're lifting Jesus up
We're lifting Jesus up
We're lifting Jesus up
We're gonna praise Him
You come and fill our hearts
With all Your power and love
Take us a level up
You're so amazing
