

Pour It Out

planetboom

Here I am
Positioned waiting for You
I feel the flow
I'll go wherever You go
Fill me up
Until my heart overflows
Overflows

Pour out Your Spirit on us
Our generation desires Your touch
Pour out Your Spirit on us
Jesus we're longing for You
We're longing for You

I hear the rain
The atmosphere is changing
Come move again
Spirit fall from heaven
And fill me up
Until my heart overflows
Overflows

Pour out Your Spirit on us
Our generation desires Your touch
Pour out Your Spirit on us
Jesus we're longing for You
We're longing for You

Pour out Your Spirit on us
Our generation desires Your touch
Pour out Your Spirit on us
Jesus we're longing for You
We're longing for You

Pour it out
Pour it out, on us
Pour it out
Pour it out, on us
Pour it out
Pour it out, on us
Pour it out
Pour it out, on us

Pour out Your Spirit on us
Our generation desires Your touch
Pour out Your Spirit on us
Jesus we're longing for You
We're longing for You

Pour it out
Pour it out, on us
Pour it out
Pour it out, on us

Yours is the kingdom
All glory and honour
Forever we'll praise Your name

Yours is the kingdom
All glory and honour
Forever we'll praise Your name

Yours is the kingdom
All glory and honour
Forever we'll praise Your name

Yours is the kingdom
All glory and honour
Forever we'll praise Your name

Pour it out
Pour it out, on us
Pour it out
Pour it out, on us

Pour it out
Pour it out, on us
Pour it out
Pour it out, on us
