

## Praise Over Problems

planetboom

I tell my problems, how big my God is  
Nothing's beyond Him, His name is Jesus  
His name is Jesus  
So praise will be my response  
Praise will be my response  
I tell my future, my God has got this  
He's my provider, He'll never leave us

The enemy's under my feet  
The enemy's under my feet  
I praise You 'cause Lord, I believe  
That Jesus set me free  
Now whether I feel it or not  
I'll praise You with all that I got  
You are my God and my Rock  
Someone turn that praise up

Someone turn that praise up

I tell my issues, how good my God is  
He is my freedom, His name is Jesus  
His name is Jesus  
So praise will be my response  
Praise will be my response  
I'm facing giants, what they don't know is  
They 'bout to find out, how big my God is

The enemy's under my feet  
The enemy's under my feet  
I praise You 'cause Lord, I believe  
That Jesus set me free  
Now whether I feel it or not  
I'll praise You with all that I got  
You are my God and my Rock  
Someone turn that praise up

We lift Jesus up, and the walls come down  
We lift Jesus up, and the walls come down  
Hey, hey, nothing can stop my God, hey  
Hey, hey, nothing can stop my God, hey  
We lift Jesus up, and the walls come down  
We lift Jesus up, and the walls come down  
Hey, hey, nothing can stop my God, hey  
Hey, hey, nothing can stop my God, hey

The enemy's under my feet  
The enemy's under my feet  
I praise You 'cause Lord, I believe  
That Jesus set me free  
Now whether I feel it or not  
I'll praise You with all that I got  
You are my God and my Rock  
Someone turn that praise up  
The enemy's under my feet
