

Redeemed

planetboom

Jesus set me free
Jesus set me free
Jesus set me free
I know I'm redeemed

Jesus saved me
Jesus healed me
Resurrected from the dead
He redeemed me

Ain't no way I'm turning back
Ain't no way I'm holding back
Overflowing never lack

So let the redeemed of the Lord
Say so, so
Let the redeemed of the Lord
Say so, so
So let the redeemed of the Lord say

Say so
Let 'em know
Let 'em know

Jesus made me
Jesus claimed me
All the old is washed away
'Cause He redeemed me

Ain't no way I'm turning back
Ain't no way I'm holding back
Overflowing never lack

So let the redeemed of the Lord
Say so, so
Let the redeemed of the Lord
Say so, so
So let the redeemed of the Lord say

Say so
Let 'em know
Let 'em know

Jesus set me free
Jesus set me free
Jesus set me free
I know I'm redeemed

Jesus set me free
Jesus set me free
Jesus set me free
I know I'm redeemed

Jesus set me free
Jesus set me free
Jesus set me free
I know I'm redeemed

Jesus set me free
Jesus set me free
Jesus set me free
I know I'm redeemed

Jesus set me free
Jesus set me free
Jesus set me free
I know I'm redeemed
