Run To You

planetboom

I need You, I'm reaching out
With all of my heart and soul
My Jesus, You're here right now
Holding me through it all
Holding me through it all

Here in this moment, Lord, I am running
Right up to Your throne
All that I need is, found in You, Jesus
Your presence is my home
(Woah-oh-ohh, woa-oh-ohh) I will run to You
(Woah-oh-ohh, woa-oh-ohh)

Forgiven, I stand again
There's nothing that's in the way
Between us, my Lord and friend
You cover me in Your grace
Cover me in Your grace

Here in this moment, Lord, I am running
Right up to Your throne
All that I need is, found in You, Jesus
Your presence is my home
(Woah-oh-ohh, woa-oh-ohh) I will run to You
(Woah-oh-ohh, woa-oh-ohh)

I'm running into Your arms
And nothing's gonna hold me back
Nothing's gonna hold me back
From Your unfailing love
Nothing's gonna change Your heart
Nothing's gonna change Your heart
I'm running into Your arms
Nothing's gonna hold me back (Nothing's gonna hold me back)
Nothing's gonna hold me back (Nothing's gonna hold me back)
From Your unfailing love (Oh God)
Nothing's gonna change Your heart (Nothing's gonna change Your heart)
Nothing's gonna change Your heart (Change Your heart)
For me

Here in this moment, Lord, I am running
Right up to Your throne
All that I need is, found in You, Jesus
Your presence is my home
(Woah-oh-ohh, woa-oh-ohh) I will run to You
(Woah-oh-ohh, woa-oh-ohh) I will run to You
(Woah-oh-ohh, woa-oh-ohh) I will run to You
(Woah-oh-ohh, woa-oh-ohh) I will run to You
