

Saints

planetboom

I'm not a sinner, I'm a saint
I'm gonna live it, unashamed
All of my days are for Jesus
All of my world's gonna see this
I'm not broken, I am saved
All my sins are washed away
I got a brand new identity
I died to myself and He lives in me
Lives in me

I am pure, I am clean
I'm not who I used to be
I got a brand new nature
Now I'm a new creation
I keep in step with the Spirit
Your word is a lamp and I read it
Living on fire for Jesus
My heart is on fire for Jesus

I'm not who I used to be
'Cause Your love
'Cause Your love's got a hold on me
I'm a believer
In the power of Jesus
Yeah, I'm a believer
I'm not who I used to be
'Cause Your love
'Cause Your love's got a hold on me
I'm a believer
In the power of Jesus
Yeah, I'm a believer
Ay, I'm a saint

[illegible]

I'm not who I used to be
'Cause Your love
'Cause Your love's got a hold on me
I'm a believer
In the power of Jesus
Yeah, I'm a believer
I'm not who I used to be
'Cause Your love
'Cause Your love's got a hold on me
I'm a believer
In the power of Jesus
Yeah, I'm a believer
Ay, I'm a saint
