

That's Us

planetboom

Oh, my life is all the better with You
Belonging to Your family is the
Greatest thing in my life
So, every day of my life
I'ma tell my world how good it is
To be a part of this
There's nothing else that could compare to this
I'm adopted by the Father
And what You join together, none can separate
You, me, the church, that's us (Uh)

I once had nothing, then You found me (Yeah)
You called me out into Your family
There's nowhere else that I would rather be
I'ma tell my whole world about it
Yeah, I can hear the church bells ring
It's the sound of the fam, you and me
All the parts come together, unity
I'ma tell my whole world about it
(Put your hands up, sing)

Oh, my life is all the better with You
Belonging to Your family is the
Greatest thing in my life
So, every day of my life
I'ma tell my world how good it is
To be a part of this
There's nothing else that could compare to this
I'm adopted by the Father
And what You join together, none can separate
You, me, the church, that's us (Uh)

In one accord, now, we lift Jesus up
We join together to praise Him
(Woah-oh-oh-oh-oh)
Side by side in the presence of God (Yeah)
We stand together with one heart
(Woah-oh-oh-oh-oh)
In one accord, now, we lift Jesus up
We join together to praise Him
(Woah-oh-oh-oh-oh)
Side by side in the presence of God
We sing together with one voice
(Woah-oh-oh-oh-oh)

(Woah-oh-oh-oh-oh, woah-oh-oh-oh)
Sing it
(Woah-oh-oh-oh-oh, woah-oh-oh-oh)
