

# The Core

planetboom

(Let's go)  
(Yeah, yeah, yeah)  
(Sing it, sing it, sing it)  
G.O.D. to the core  
G.O.D. to the core  
G.O.D. to the core  
You are all I'm living for  
G.O.D. to the core  
G.O.D. to the core  
G.O.D. to the core  
You are all I'm living for  
Give Him a shout of praise  
Yeah

Straight out the gate  
I'ma give it to you straight  
Ain't no debate  
My God is great

I should be dead in my sin  
But I'm living and free  
'Cause Jesus died in my place  
Jesus wiped my slate clean  
Now, I'm giving Him my best  
'Cause He's given me His  
He's the undisputed king  
He's the best that there is

Paid for my life with Your life  
Now, my life is better than ever  
It's better together  
When I am wherever You are, saying

Woah, united in mind and thought  
Woah, G.O.D. right down to the core  
Woah, Ain't gonna live for me no more  
Ain't gonna live for me no more  
So, if You say, "go," let's go

Let's take a praise break right now

Straight out the gate  
I'ma give it to you straight  
Ain't no debate  
My God is great

Ayy, You the one that calmed the storm  
With just a word and  
Ayy, You the one that part the sea  
I can see that  
Ayy, could've done anything  
But You gave it all  
You gave it all, You gave it all

Paid for my life with Your life  
Now my life is better than ever  
It's better together

So, I'll do whatever You ask, saying

Woah, united in mind and thought  
Woah, G.O.D. right down to the core  
Woah, Ain't gonna live for me no more  
Ain't gonna live for me no more  
So, if You say, "go," let's go

G.O.D. to the core  
G.O.D. to the core  
G.O.D. to the core  
You are all I'm living for  
G.O.D. to the core  
G.O.D. to the core  
G.O.D. to the core  
You are all I'm living for  
G.O.D. to the core  
G.O.D. to the core  
G.O.D. to the core  
You are all I'm living for  
G.O.D. to the core  
G.O.D. to the core  
G.O.D. to the core  
You are all I'm living for  
(Come on, lift up a shout of praise right now)

Straight out the gate  
I'ma give it to you straight  
Ain't no debate  
My God is great

(Sing it, sing it)  
G.O.D. to the core  
G.O.D. to the core  
G.O.D. to the core  
You are all I'm living for  
G.O.D. to the core  
G.O.D. to the core  
G.O.D. to the core  
You are all I'm living for
