All Glory

Planetshakers

We came from afar
Following a star to You
With expectations in
Our hearts to meet the King

And as we entered in and saw Him
Our hearts rejoiced as we beheld him

All glory
Glory to the King
All honour
To our God we sing

We brought Him treasures of
The best this world could give
And we bow down before
Our Saviour God and King

For He and He alone is worthy
To receive all praise and glory

All glory
Glory to the King
All honour
To our God we sing
