

I want to, to know You
I want to hear Your voice
You are my, desire
I want to be so close

Close To You

I tune in, to listen
To hear You speak to me
I reach out, believing
That You are all I need

All my attention
Is set on You now
You are the centre

Jesus all, all
All I want is You
And my heart and soul
Is longing just for You

You are, You are
Everything to me
You are, You are
Everything to me

Your presence, Your power
Your glory's all I seek
I'm hungry, I'm thirsty
Your love is all I need

All my affection
Is set on You now
You are the centre

Jesus all, all
All I want is You
And my heart and soul
Is longing just for You

Jesus all, all
All I want is You
And my heart and soul
Is longing just for You

You are, You are
Everything to me
You are, You are
Everything to me

You are the desire
Of our generation
We want You, we need You
Holy Spirit

So pour out Your presence
In our generation

All we want is You

You are the desire
Of our generation
We want You, we need You
Holy Spirit

So pour out Your presence
In our generation
All we want is You

Jesus all, all
All I want is You
And my heart and soul
Is longing just for You

Jesus all, all
All I want is You
And my heart and soul
Is longing just for You

You are, You are
Everything to me
You are, You are
Everything to me
You are, You are
Everything to me
You are, You are
Everything to me
