

## Be My Vision

Planetshakers

Be my vision  
When the waves are closing in  
Keep my focus  
On the peace You breathed within  
And my heart will fear no more  
As I turn to face You, Lord

Take this life  
Let glory and majesty flood my eyes  
Lord, overwhelm me till all that I want and all that I see is You  
Till all that I see is You

Be my vision  
When I've reached life's greatest day  
Give me wisdom  
That I will humble myself and pray  
Teach my heart to lean on You  
Lord in everything I do

Take this life  
Let glory and majesty flood my eyes  
Lord, overwhelm me till all that I want and all that I see is You  
Step by step Jesus I'll follow You  
Breath by breath Lord I will worship You  
Burn in my heart till all that I see is You

Till all that I see is You  
Till all that I see is You  
Till all that I see is You, Jesus

I can see You now  
I can see You now  
Lord You are here with me  
You're present in everything

So I'll lift my voice  
I have resolved to serve You, Lord  
Jesus be all I see  
Jesus in everything
